## **Powhatan County Public Library Takes Building Friendships Virtual**

POWHATAN, VA – Powhatan County Public Library’s new virtual Brick Club begins with an opening session at 11:00 AM on Saturday, March 13, 2021. Brick building enthusiasts and budding architects are invited to join Ms. Cindy via Zoom for a morning building adventure. Each brick building event will include a story followed by a building challenge. Participants will break from the meeting and have 30 minutes in which to complete their creation. When the group reconvenes on Zoom each participant will have a chance to present their masterpiece to the group. Brick Club events will take place on the following dates: March 13, April 17 and May 15.

This virtual club for ages 6-12 requires registration. Each session will run if at least 2 child participants (with an adult caregiver) are in attendance. Zoom event details will be provided following registration. Each session of PCPL Brick Builders will require a new registration and Zoom link. Participants may register by visiting <https://tinyurl.com/PCPLBricks> Using building toys is not only lots of fun, but reinforces math, and engineering-related concepts and improves fine-motor skills.
